1. Background Information

About the school

- 1.1 Saint Christina's School is an independent Roman Catholic co-educational day school. It was founded in 1949 by the Handmaids of the Sacred Heart of Jesus as an independent Catholic preparatory school in the diocese of Westminster. The school forms part of a worldwide family founded by St Raphaela Mary in the late 19th century. It is overseen by a governing body which includes the Provincial of the Order as an ex officio member, the Superior, chair and four foundation governors.
- 1.2 During the period March to August 2020, the school remained open only for Nursery children and children of key workers.
- 1.3 During this period of closure the school provided remote learning materials for all pupils.
- 1.4 In the interests of infection control during the COVID-19 (coronavirus) pandemic, inspection evidence was gathered partly remotely and partly on-site to reduce contact within the school setting.
- 1.5 In line with the direction given by the Department for Education (DfE) at the time, no evaluation has been made of the nature or effectiveness of any provision made during the period March to August 2020, including its impact on pupils' learning, achievement or personal development. Any concerns relating to pupils' welfare during this period which directly relate to measures implemented by the school have been considered.
- 1.6 During the lockdown period of January to March 2021, all pupils other than the Nursery children and the children of key workers or vulnerable pupils received remote learning provision at home.
- 1.7 Since 2020, EYFS profiles have not been externally moderated.

What the school seeks to do

- 1.8 The school educates children in the Roman Catholic tradition which sets out to create an environment where children enjoy the excitement of becoming independent, flexible and adaptable learners, and do so within a space where they feel safe and happy. It is committed to the pursuit of excellence in all areas, always recognising the individual needs of each pupil and supporting their full development spiritually, morally, intellectually, emotionally, physically and socially so that they may grow towards the fullness of life promised by Christ.

About the pupils

- 1.9 The school draws pupils from a wide variety of backgrounds from the north and north west areas of London. The school's own assessment data indicate that pupils are of above average ability. The school has identified 26 pupils as having special educational needs and/or disabilities (SEND) which include dyslexia and dyspraxia, 23 of whom receive additional specialist help. English is an additional language (EAL) for 34 pupils, 21 of whom receive specialist support and the rest have their needs supported by their classroom teacher. The school provides curricular and extracurricular support for pupils who are identified as more able.

2. Regulatory Compliance Inspection

Preface

The Independent Schools Inspectorate (ISI) is approved by the Secretary of State to inspect schools which are, or whose heads are, in membership of the associations which form the Independent Schools Council (ISC) and report on the extent to which they meet the Independent School Standards ('the standards') in the Schedule to the Education (Independent School Standards) Regulations 2014. Inspections of schools with early years settings not requiring registration also report whether the school complies with key provisions of the Early Years Foundation Stage statutory framework. Additionally, inspections report on the school's accessibility plan under Schedule 10 of the Equality Act 2010 and the ban on corporal punishment under section 548 of the Education Act 1996. Inspections also comment on the progress made to meet any compliance action points set out in the school's most recent statutory inspection.

ISI inspections are also carried out under the arrangements of the ISC Associations for the maintenance and improvement of the quality of their membership.

This is a COMPLIANCE ONLY inspection and as such reports only on the school's compliance with the standards. The standards represent minimum requirements and judgements are given either as **met** or as **not met**. All schools are required to meet all the standards applicable to them. Where the minimum requirements are not met, this is clearly indicated and the school is required to take the actions specified.

Inspections do not include matters that are outside of the regulatory framework described above, such as: an exhaustive health and safety audit; compliance with data protection requirements; an in-depth examination of the structural condition of the school, its services or other physical features; contractual arrangements with parents; an investigation of the financial viability of the school or its accounting procedures.

Inspectors may be aware of individual safeguarding concerns, allegations and complaints as part of the inspection process. Such matters will not usually be referred to specifically in published reports in this document but will have been considered by the team in reaching its judgements.

Links to the standards and requirements can be found here: [The Education \(Independent School Standards\) Regulations 2014](#) and the [Early Years Foundation Stage Statutory Framework](#).
