Appointment of Teaching & Learning Assistant Information for Candidates

This is a really exciting opportunity for the successful candidate to join our energetic and forward-thinking team. Our objective is to develop a unique and deeply ambitious primary educational experience that will set Saint Christina's out from every other school.

We are looking for a highly motivated and innovative individual who would like to work within our warm and friendly community. The successful candidate will be able to demonstrate that they will be able to offer high levels of support to pupils within our School and will be able to lead groups of children independently.

School information

Saint Christina's is an exceptional School in many ways and the wonderful atmosphere of fun and learning can be felt when you walk through the doors. The School revolves around a caring, family orientated team of teachers and staff and the help and support of many of the parents.

The quality of teaching is reflected by the constant high grades and excellent feedback through the recent inspections, copies of which can be found on the School's website. The School's reputation and family loyalty, with siblings and children of past pupils all attending, is reflected in the waiting list.

Saint Christina's has pupils of all nationalities and, although it is a Catholic School, maintains a healthy balance of pupils from all faiths and none.

The School is modern, purpose built with large, bright classrooms and is in a wonderful location close by to Primrose Hill, Regent's Park and Lord's.

We are accredited members of The Independent Association of Prep Schools (IAPS), the Society of Heads, the Catholic Independent Schools' Conference (CISC), and the Independent Schools Council (ISC) and affiliated with the Society of Heads.

History of the School

Saint Christina's School was founded in 1949 by the Handmaids of the Sacred Heart of Jesus as an Independent Catholic School in the Archdiocese of Westminster. Since then the School has grown considerably and continues to flourish, always seeking to meet the needs of all of its pupils in an ever-changing world. Saint Christina's remains a charitable trust and forms part of a world-wide family founded by Saint Raphaela Maria in the late nineteenth century.

Development of the School

The School has been and remains ambitious with regard to the development of its facilities. Our accommodation is unassuming from the outside, but large, light and spacious, inside. The classroom accommodation is supplemented with two playgrounds, a number of outdoor learning areas and easy access to Primrose Hill and Regent's Park.

Ten years ago a completely new third floor was added to the School. This contains several state-of-the-art classrooms and a bespoke music area which includes two 'sound-proofed' practice / teaching rooms. The School also boasts an Arts Hall and a Dance Hall which is used for the teaching of Art, Sport, Dance and Drama.

Most recently, the school made the decision to transition to full co-education and we now have boys and girls all the way through the School from Nursery to Year 6. In parallel to our decision to become fully co-educational, our ultimate desire is to see the School grow from one to two form entry. To this end the School has just completed a very large expansion through the construction of four new classrooms and a brand new EYFS unit, to accommodate the vision for growth to two form entry. In September 2024 we welcomed two large Reception classes into our EYFS as we commence this ambitious journey.

The successful candidate will therefore join a School at an exciting time and will want to seize the opportunity to help form this new chapter in the School's journey.
