

Saint Christina's

Pre-Prep and Prep School
for boys & girls aged 3-11

Bulletin

Friday 7th June 2024

Dear Parents,

It is amazing what a difference just having decent warmer weather makes! We don't need it to be too hot, because then it is hard to focus the children on their learning, but, just to be enjoying warm, bright days is so good for our daily outlook and wellbeing. This said, the school community is so very positive already and I can honestly say I have never worked in a place where the staff and pupils are more aligned and enthusiastic in their learning. There is such a positive outlook on everything that it is a pleasure to lead here. Nothing is impossible!

Which forms a great segue to our Parent Link and the support and encouragement that you as parents as a whole body offer the school on a daily basis. On this note, may I take this opportunity to publicly thank the PL for what you have contributed to our community over this term. Many of us were able to attend a fantastic quiz night just before half term, and I think it speaks well to our broader community that you as parents were prepared to allow the teachers to win. In addition to this, funds have been raised to buy a fantastic new keyboard for the Chapel – it arrived this week and it is amazing. So if you were not able to attend mass this afternoon, here is a link to our instagram page where you will be able to witness Year 1 singing 'Lord I lift your name' accompanied by Mrs Byrant playing our fantastic new keyboard <https://www.instagram.com/p/C76t2exA2Qo/?hl=en>. Some of you have also been involved in helping refresh the green wall, and others have even used your professional skills to support our teaching and learning and project planning. May I thank you from the bottom of my heart. We often say that this school is very special, but it really is. I have never worked in a community like it. Thank you.

Within school, so many things have occurred during the week. We have seen the first run-throughs for the summer production this week. Always a challenge to get everyone to make the connections between the bits that they have been rehearsing separately, but everything is already looking very good. The feedback from the residential has been excellent. I am delighted with how well the children behaved and, more importantly, embraced the opportunity to learn and experience the things that they were engaged with. To hear Mrs Ellisdon say that she felt it was the best residential experience that she has had, was really gratifying. On the back of this, I will be spending some time talking about leadership to our current Year 5 pupils as they look to becoming the senior pupils in the School in September. This will happen over the next few weeks.

The decision by the Prime Minister to call an election for July was a little bit of a surprise to most. Nevertheless we have embraced the decision and this morning I have delivered an assembly that explained to all the children what a general election is, what happens during an election campaign and how people vote. I am pleased that we all know (if we were listening) what a poll is now, and am further delighted to tell you that we successfully elected a new president for the US on the platform that everyone will have bubblegum for breakfast! We haven't broken the news to Joe and Donald yet though!

On a more serious note, the polls do suggest that we are likely to see a change in the governing party in July and this may have implications for the independent sector, with regard to the commitment from Labour, to apply VAT to school fees. Most commentators believe that the policy proposal was, initially, what they are terming a 'kite-flying' exercise to gauge public reaction. However, the same commentators acknowledge that in flying the kite, the Labour Party have stimulated quite a strong reaction and thus it will be difficult to not go ahead with their proposal if they do indeed get into office. The problem is that they have not actually said exactly what they will do. Would they levy the tax as is, might they charge at a lower rate or indeed have a graduated scale of charge to reflect the different schools that together make the sector. We just don't know. No school, therefore, is in a position to say exactly what they will do if the policy is implemented but I do know that the governors here will do their best to find a route through that ensures

the school is able to continue to offer the really high quality provision that we are currently able to enjoy whilst considering all stakeholders.

In the meantime, having spoken to a few well-placed legal and tax experts working in this field, and having read the independent report by the Adam Smith Institute (it challenges the IFS assessment upon which Labour is drawing), I think that the implementation of the policy will be complicated and potentially messy. Unless nuance is introduced, any provider of education independently will be caught up in this – football on Sunday anyone? – and just simple statements like, ‘we want to protect SEND children from the tax’, begs the question of how is this equitably implemented ... do independent special schools receive an exemption or would that apply to any independent school that supports children with SEN? It is highly likely that there will also be significant implications for those who send their children to state schools too! Whilst announcing that this policy will be implemented is likely to be an early announcement by a Labour government, it is possible that time may be needed to work through the implications. Thus it is not clear when any charge (still not known) might be levied. Most experts also suggest that if the policy is introduced, the government is likely to face a legal challenge. Broadening the picture slightly the Lib Dems are opposed to Labour’s policy. Sir Ed Davey said, “on this specific point, I’ve never thought in principle that VAT should be applied to education.” His party’s position will only be pertinent should Lib Dem support be required for government in the new parliament.

I am attaching the Adam Smith Institute’s report with this bulletin should you be interested and want a little light bedtime reading!

In the meantime, I hope that you have a lovely weekend, and I very much look forward to seeing you again, next week.

Yours sincerely,

Alastair Gloag
Headteacher

Year 1 and 4 Buddies

Before the break, Year 1 and Year 4 enjoyed spending time in the sunshine with their buddies to celebrate the wonderful work they completed over the first half of the summer term. Year 4 were wonderful role models, all showing kindness and patience as they lead a number of different games and sports in the playground. Year 1 enjoyed joining in with the wonderful variety of activities and learning new games and skills from their buddies. We have had the chance to play netball, football, duck duck goose, show off some gymnastic skills and much more!

Ms Higgins – Year 1 Teacher

Year 5 & 6 Residential Trip

The children in Year 5 and 6 had a wonderful week in Peak District just before half term. The week was jam packed with wonderful excursions linked to the Geography and History curriculum. We travelled back to 1900 when we visited Blist Hill Victorian town where we had the opportunity to go into the bank and change our modern-day money into shillings and pence. The fun started when we could go into different shops and spend the money! It is safe to say the sweet shop was the biggest hit! The children also participated in a brick making workshop as well as a laundry workshop. We stayed at the Palace Hotel in Buxton and during the week we visited Eyam, the Cromford Mills, Chatsworth House, Warwick Castle, The Heights of Abraham and the Peak Wildlife Park. It was a week filled with lots of laughter and smiles!

The children were, of course, very well behaved throughout the week and it was a pleasure to lead them on this trip. Thank you very much to Ms Fernandes, Miss Anita and Mr Artur for all of their help throughout the week and for giving up their personal commitments to come on the trip.

Please see accounts from Y6 and Isabella's diary that she wrote while we were away.

Mrs Ellisdon - Head of KS2

Year 5 and 6 Residential Trip to Buxton Spa and Peak District – by Isabella

Monday – Day 1

Dear diary, we have finally arrived at Buxton Palace Hotel! I've been paired up with Alice in room 305 ... I am so happy! But more about the trip. Our first stop was Blist Hill Victorian Village. It was incredible and felt like we were transported back to the 1800s. We washed clothes in a dolly tub, manufactured bricks with our own hands using soft murky brown clay and got to spend our shillings (old Victorian money) on Victorian sweets, lavender bags and Victorian pocket mirrors, to name just a few of the many intriguing products we found in the village shop. When we returned to the hotel in the evening, we went straight to a dinner full of scrumptious, delightful sausages with fries and tiramisu. When we got to our rooms, I had a quick shower and sank into my fluffy pillow. Before I could fall asleep Mrs Ellidson came knocking on our door saying the secret password and wishing us a "Very kind and jolly good night!"

Tuesday – Day 2

Dear diary, I slept so well! After a pleasant wake up and a delicious English breakfast, we went to Peak Wildlife Park. It was amazing to see so many exotic animals like wallabies, lemurs and polar bears. I played with some baby wallabies - they were soft, adorable and hairless, unlike grown up wallabies. After a penguin feeding show, we had our packed lunch in a tent in the park, and then departed for Eyam. I found Eyam a little sad and creepy because of the plague house we visited. We learned that it saved England in 1660s by sacrificing and quarantining itself until the plague had passed. I bought some gifts for my family: a fluffy owl keychain for my brother and an amethyst necklace for my mother.

Wednesday – Day 3

Dear diary, today we went to Cromford Mill where we were taught about the machinery and methods used in the Victorian times to weave cotton. This was the first water powered cotton mill in England, built in 1771. We dressed up as boys and girls from the Victorian times, just like the children who worked in the cotton mill. It was a strange experience to be a child worker. After lunch, we went to the Heights of Abraham, a place that is so high we had to use cable cars. The view was spectacular despite the rain drops scattered on the cable car glass. We visited the caves and learned about how they evolved over hundreds of years. It was fascinating.

Thursday – Day 4

Dear diary, today was incredible and so much fun! We went to Chatsworth House after another truly delightful English breakfast. Chatsworth House was the country palace of the Duke of Devonshire. It was breath taking! There was a hall full of frescos of Roman gods, elegant rooms, and a real maze in the garden. We even saw the Duke of Devonshire's bed... their family still live there. After, we visited an animal farm and got to pet some very adorable guinea pigs, goats and sheep. After returning to the hotel, the teachers surprised us with an elegant dinner and a disco party! We all had fun dancing to Chitty Chitty Bang Bang Mio Bamboo. It was extraordinarily enjoyable. I am quite sad that we are leaving tomorrow.

Friday – Day 5

Dear diary, today we started our journey back to school by going to Warwick castle. This was another amazing experience. Warwick castle was immense, and we learned all about the Earl of Wessex who was called the kingmaker. We had enjoyed looking for hidden servant doors (we counted eight) and saw many waxworks of famous people like Henry VIII and his wives. There were so many intriguing things in the castle like Horrible Histories maze, extraordinarily old antlers and even a fossilized anemone.

The residential trip was an extraordinary experience to socialise and to learn about our history. I was a little apprehensive before the trip and spending five days away from my parents, but it turned out to be a superb experience! Thank you to our fabulous teachers who took time to plan and execute this amazing experience for us.

EYAM

After going to the Peak Wildlife Park on Tuesday, we went to a small town called Eyam. We split into 2 groups. The group I was in first went to a museum about the plague, where we did a quiz on facts about the bubonic plague in particular.

After the museum, we swapped with the other group and walked over to a very old church, where people who had died in the plague, all the way back in 1665. A lady talked to us all about the history of what the plague was, and how it affected people. It was actually really interesting.

After that, we went to a massive field, while some people played football and some people played cricket on the other end of the field. Afterwards, we went back to the hotel and ate dinner, then went to sleep.

Peak Wildlife Park

On Tuesday it was so much fun! First we got ready for our day. Then, we got our lunches prepared by the amazing staff at the hotel. We got on the coach, and talked for a bit, then listened to music. Then, we arrived at the park then we checked in and split into 3 groups and dropped off our bags and lunches at the massive tent.

First we went to the wallabies, and it was our favorite because we got to pet them and their cute babies who hid in their pouches. After that we saw penguins and a little bit about them, then we saw polar bears, arctic foxes, squirrels and lemurs. Afterwards, we saw the animals and took a break/lunch.

Then, we went back to the hotel, had dinner and went to bed. It was really cool to see all the animals.

The Victorian Town

By Alice and Allegra

This was our first stop and we were all very excited. The first thing we did was go into a little Victorian hut and had our lunch. There were horses going up and down like this:

After lunch we split into two groups and did many fun activities such as:

Brick Making:

We went into a small little hut with different brick making stations set up along the way. We first took the piece of clay and threw it onto the brick mold. We then hit it until it was covering all of the mold. We then added little grains of sand and oil and then banged it out into the box which we then engraved our names on and brought back with us!

Laundry Workshop:

At the laundry workshop we went into this place that was a shed at the back of a garden which the whole flat behind would share. This meant that they had certain scheduled times for when to do their washing including date and time. When we were inside the lady told us that the first thing you need to do is turn the fire on at around five o'clock in the morning, then around 2 hours later at seven early in the morning you would start your work. You would first need to put water on the fire to heat after it is heated, you need to add the clothes and the Dolly Blue (it smells quite particular) in the Dolly tub. After that you would get the Dolly Peg and stir it round for a while we each got a turn to try and then after we got to try the plumber which was a bit more modern. This was in general very fun!

Exploring the town:

After the workshops we then all went to a bank to change our money into Victorian currency. We got to visit a chemist and a sweet shop and everyone bought themselves something. Most people changed around £5.00. At the Chemist we got to look around and see all the medicines and look around and we saw the chemist dental chair, they had lots of nice soaps and perfumes there. It was very interesting since we got to learn all about it.

At the sweet shop they had all of the jars of sweets displayed behind them and there were chocolate bars and lots more! Almost everyone found the sweet shop in the Victorian town their highlight!

Warwick Castle

On Friday morning, we made our way to Warwick castle. It was a very long journey and when we arrived there, there was a tour guide waiting for us. He told us about how the castle was made and what would happen if you tried to break in back then. After that we went inside the castle and we saw lots of armour, swords etc. In the main hall where the armour was, there was a fossil in the floor that was 45 million years old. We also went to the dining hall where we saw lots of gold art.

Later on, we went outside to see a bird show called The Falconer's Quest. It was very captivating. There were lots of different types of birds. Some even flew over your head and at the end there were lots of birds at once, it was very nice.

Finally, we explored the castle a bit more. Since the castle is now owned by Madame Tussauds there were lots of wax figures. They were a bit intimidating. After we went up the castle towers and we even went into a dungeon. It was really fun and it was a nice experience.

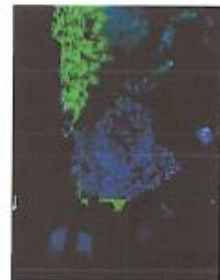

Here is a picture of us in the caves!

On Wednesday 22nd May we visited the Heights of Abraham.

We went in cable cars to the caves. We had to go deep underground into the caves. In the caves it was really fun looking at the caves but there were a lot of stairs which made it a bit tiring.

The cave rock looked like this.

The cable cars on the way up and down for me were a bit nerve racking but it was fun having a look at the view. The cable cars took you up to see the caves. Most of the cable was glass so you could see underneath you which was a lot of green forest

Chatsworth house

We went to Chatsworth House on Thursday and this is how it went.

We arrived there early but, thankfully, there was enough time to play some splat. We then walked west where there was a wishing well. Some of us (including me) threw some coins into it for a wish. After that we walked back to the castle to put our bags back and go to the toilet so we wouldn't need to go or carry anything with us the whole experience.

**We then took a couple pictures!
Here is one! -)**

After taking the pictures we got in our four groups and then merged them into two. Miss Fernandes and Miss Anita, Mrs Ellidson and Mr Arthur. We had then entered the castle and there were paintings everywhere! Most things were even covered in gold leaf! There were priceless artifacts everywhere, with LOTS of China!

**This is a picture we took on the top floor!
(-**

After looking through the Palace we went to the gift shop to get stuff. I only had £10.01 so I got a Jasmine and Peach soap for £7.

Then we went out, ate lunch and had a walk in the Palace gardens. They were so beautiful!

**Here is a picture of the waterfall!
-)**

Thankfully we weren't going home yet we managed to go feed some animals. There were cows, donkeys and sheep!

We then headed to the adventure playground which was so much fun. Even Miss Anita and Mr Arthur joined in! After that we then managed to stroke some Guinea Pigs (I did it with Apoline)!

Sadly all good things have to come to an end, so we got our things and walked back to the coach while seeing some of the teachers mew and hopped back to the hotel.

Year 6 Cycle Training

This week Year 6 have been involved with Cycle Training. They were divided into two separate groups so that more attention could be paid to their needs, and after the first day they were able to go out and practise their skills in public – closely supervised by the cycle training instructors at all times, of course!

Here are some of the skills that Year Six have been learning so far:

'I learnt how to cycle across roads safely and how to watch out for cars and other vehicles' Gina.

'I learnt how to use the gears, and which gear meant what' Amara.

'I learnt how to do U-turns and L-turns' Sofia

'I learnt how to turn Left and Right when you are in a minor road' Sarah

'I learnt how to do U-turns safely, and how to change gears' Marta

We have always found that everyone who does cycle training each year benefits enormously!

Fr Rudolf - Year 6 class teacher

PE Update

During PE this week all classes have been enjoying their lessons which have focussed on the final preparations for the upcoming Sports Days. The **Key Stage 2** event takes place next week on **Thursday 13th June from 12.45-3.15pm** and the **EYFS and Key Stage 1** Sports Day takes place the week after on **Friday 21st June 9.45– 12.00pm.**

Parents are more than welcome to join us for these events but I would kindly ask you to stay in the designated spectator areas to ensure the events run smoothly. **P.E kit needs to be worn into school** for Sports Day and the children should be wearing their House caps (Yr1-6). I hope that the sun will be shining and we can have 2 really good events.

The Key Stage 2 groups have spent time working on the hurdles, relay and sprint races this week. We have spent time developing their change over technique in the relay and have enjoyed lots of races and mini competitions. The younger classes have worked on the throwing events this week whilst also continuing with their tennis and cricket skills. Year 2 continue to impress in their cricket lessons they have spent time playing diamond cricket and are really developing their batting and fielding skills.

On Friday, we took part in a cricket tournament hosted by St Marys. It was a great event and there will be more details in next week's bulletin.

Upcoming Fixtures

Date	Opposition	Year group	Time
Monday 10th June	Sarum Hall	Year 4, 5 and 6 Cricket	15.45-17.00
Monday 17th June	St Christopher's	Year 5 and 6 Cricket	15.45-17.00
Monday 24th June	St Christopher's	Year 4 Cricket	15.45-17.00

Mr Raveney - Director of Sport

Music

KS1 Music Assembly – Tuesday 25th June

The Music Department would like to invite KS1 parents to our KS1 Music Assembly on Tuesday 25th June at 9.00am. This is an opportunity for pupils having individual lessons in school to perform a short piece to a supportive audience. The assembly should last no longer than 45 minutes.

Chitty Chitty Bang Bang – update

Rehearsals are going very well for our summer production of Chitty Chitty Bang Bang. All children in KS2 will now know which songs they are involved in, and have been working with wonderful enthusiasm in rehearsals on dialogue, movement, songs and dances. Excitement is building and it promises to be a spectacular show! We look forward to welcoming you to watch the production on the evenings of Wednesday 26th June (year 3 and 4 parents) and Thursday 27th June (Year 5 and 6 parents), with more details to follow.

Practice materials

The songs for each class have been uploaded on to their Google Classroom, so please encourage them to continue practising learning the words. Year 6 should now be off script.

Costumes

All children in years 3-5 will need a base costume of **plain black/dark trousers or leggings** (not jeans and with no logo or pattern), a **plain white short-sleeved shirt, T-shirt or polo shirt** (with no logo or pattern), and **black shoes** (not trainers). Year 5 will also need a **plain black shirt, T-shirt or polo shirt**. Year 6 and other pupils with individual roles will need other or additional items, some of which we have in school, and further details will follow very shortly for all children. No costumes need to be brought in to school yet.

Volunteers

If you would like to help with making or supplying items of set, props or costumes, please contact Parents Link as we would love to hear from you.

Mrs Bryant - Director of Music

Saint Christina's Food Collection

Fr Terry's Food Bank

We would like to thank you so much for your support for Fr Terry's food bank this half term. We have collected a wonderful amount of food.

We looking forward to continuing to supporting this collection next half term.

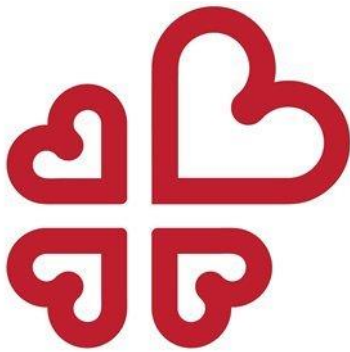

Mr Burke and the Caritas Ambassadors

Caritas Fundraising Event

We are delighted to invite you to our fundraising event at the Arts Hall on Friday June 21st, from 3-4pm. The Caritas Ambassadors will be trading delicious cakes, refreshing ice creams, fun toys, and wonderful books in return for a small donation. All proceeds will support our sister school in Mumbai, The Passage homeless charity, the Ukrainian refugee centre at the O2 Centre on Finchley Road and to support agencies and charities who are working to alleviate human suffering in the Middle East Conflict.

If you have any toys or books you would be willing to donate towards this event, please drop them off to Mr Burke in Year 2 in advance.

Please note, this will be a cashless event. Donations can be made through the link below or QR code on the day.

<https://superkind.org/campaign/caritas-fundraiser-for-ukraine-mumbai-and-the-passage-2>

We look forward to seeing you there and appreciate your support!

Sincerely,

The Caritas Ambassadors

Parents' Link Updates

Nearly New Uniform Sale

Is your child growing at speed, or do you have a sibling joining in September? The next Nearly Uniform Sale is scheduled in the Arts Hall, afternoon of July 1st.

Quiz Night 2024

Thanks to all who attended this year's wonderfully successful Quiz Night. It was a loud, fun and fast paced evening, led by our wonderful Quiz Masters Mr Burke, Mr Raveney and Ms Georgia. Just like last year, it was a hotly contested winners crown, but the Staff table was jubilant in its success, and their spaghetti/marshmallow construction alone was a marvel. There're even rumours of an annual cup being obtained, so winning teams can be marked for posterity. The evening was in aid of upgrading and refurbishing our library space and book stocks, and we are so grateful to everyone who dug deep to buy raffle tickets, purchase drinks and bid on the many auction lots. Our final funds raised will be published next week, and we are well on our way to target. Finally, a big thank you to all the many volunteers, both parents and staff, who gave their free time to sell/make/craft/clean/set up and pack down in order to make it all happen. It takes a community, thank you.

Saint Christina's gets greener

Now that the bones of the new playground are well in place, our attention is turned to improving some of the finer aspects of the children's outdoor space. The first project has begun with the revitalisation of the existing green wall

at The Avenue end of the playground. A small group of volunteers spent Wednesday afternoon weeding, tilling and refilling the over 600 small pots that make up this space, before planting approximately 50 different seedlings donated by existing parents. The school provided a further 50 seedlings, but that leaves 500 pots that still need filling...so we are launching adopt a pot! A £2 donation will ensure a seedling is purchased, and planted on your behalf by our volunteers, and the pot will be labelled with your child's name so that the children are able to visit and track the progress of their plants as they grow. The next planting bee will be in two weeks, ahead of Summer Fair, so please get those donations in to your Class Rep ASAP.

REMINDERS / HEALTH & SAFETY

NUT FREE SCHOOL

We have a number of pupils and staff in the school who have serious nut allergies. Please will you ensure that you do not give your child any nuts or nut products (e.g. Nutella) to bring into school.

MEDICATION IN SCHOOL

Please do not send your child into school with any medication on their person. Medication can only be administered by qualified personnel. The only medication that we can administer, therefore, is prescribed medication e.g. Antibiotics, Inhalers, EpiPen's. Children should not be sent into school with any other type of medication e.g. Cold and Flu medicines / Calpol / Lozenges etc. If your child is unwell and in need of medication, they should remain at home until they feel better.

If your child does have any medication, please contact Miss Georgia, and she will ask you to fill in the relevant forms and keep the medication safely in the School Office. Thank you for your co-operation.

Late collection of children

If a parent enrolls one child into a club and needs to put another in Homework club, they will be charged a fee of £15 for the second child. Additionally, children who are collected late at the end of the school day or after a club will be sent to Homework Club and parents will be charged accordingly. Homework Club runs from Monday to Thursday from 3.30-5.00pm and costs £15 per session. A late fee of £50 will be charged if children are collected after 5.00pm.

Items left in the front office

Please ensure that your child has everything they need for the school day before they arrive in the morning: e.g. snacks / PE Kit. Items are regularly being left in the office by parents and carers throughout the day and, whilst they will do everything they can to help you, this causes disruption not only to the office staff but also to the children, Class Teachers and TAs who have to come to the office to collect the items. Thank you in advance for your support in this matter.

Sunday Mass

Just a reminder to everyone, you are all invited to join Sunday Mass, which is held in the Chapel at 10.00am

Safety around drop-off

A polite reminder – if you are dropping your child off for breakfast club or a morning music lesson, **your child must be supervised until the doors open at 8am and under no circumstances left unattended.**
